EDUCATION

Certificate in Full Stack Web Development

2023

University of Sydney

EXPERIENCE

Dentist — Sydney, NSW

2015 - PRESENT

- Led and managed a team in a high-pressure dental practice, fostering strong teamwork and collaboration.
- Cultivated enduring relationships with patients, consistently earning 5-star Google reviews.
- Delivered dental care to up to 20 patients daily, showcasing exceptional organizational and time management capabilities.
- Thrived in an unpredictable healthcare environment, adapting to diverse challenges and multitasking effectively.
- Demonstrated meticulous attention to detail in patient care, ensuring precision and accuracy.

Interior Designer — Medibuilt, Sydney, NSW

Jul 21 - Jul 22

- Managed and completed 26 diverse interior design projects within a year, overseeing project timelines from concept development through handover to meet deadlines.
- Cultivated enduring client relationships by actively listening to their needs, translating their visions into design concepts, and delivering solutions that exceeded expectations.
- Collaborated seamlessly with suppliers and trades, paying meticulous attention to detail in sourcing materials and coordinating deliveries.
- Crafted unique and visually captivating interior spaces, leveraging a passion for creativity and aesthetics, and refining design elements to ensure both functionality and aesthetic appeal.
